FIG. 2B

Welcome to Book Tower 1.

This tower is filled with magic books for new readers. The books are stored in rooms A, B, and C.

To begin, choose a room. Then, choose a story. Next, name the characters in the story and tell us what they look like. After that, we'll create a special book just for you.

232

Room C: For early readers. These books contain short, amusing stories. The language is simple, and the illustrations provide visual clues to help the reader. They are slightly longer than the Room B books, and even more fun.
Grade: K - 1. Ages: 5 - 7.

234

Room B: For early readers. Room B books contain simple stories and funny illustrations. These books are just right for children who are ready to move up to their first story books.
Grade: K - 1. Ages: 5 - 7.

232

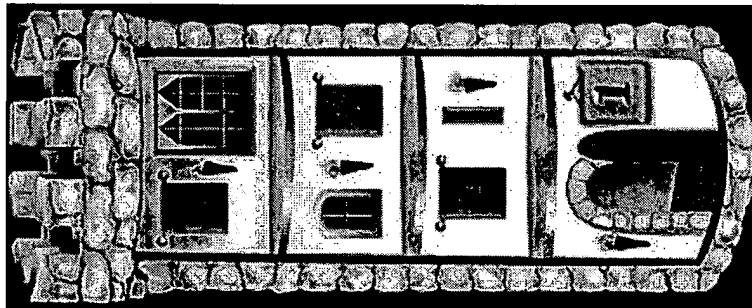

Room A: For pre-readers. These books help children learn the sounds at the beginning of words -- the sounds of the first letters. Unlike our B and C room books, these books do not tell a story. Instead, they contain a series of words and pictures.
Grade: Pre-K to K. Ages: 4 - 6.
